Your Key to the Map
Roads graded for levels of cycling experience, based upon traffic levels.
On road cycle lane
Heavy Traffic - Suitable only for the most experienced and confident cyclists. High speeds. High volumes of traffic including goods vehicles. Complex junctions with multiple traffic lanes.
Medium Traffic - Not suitable for beginners. Busier roads, moderate speeds. Some bus and goods vehicle movements. More complex road conditions. Suitable for cyclists with moderate skills.
Light Traffic - Generally good conditions for all abilities. Quieter roads. Low volumes of traffic except at some peak periods e.g. around schools. Some bus and goods vehicle movements.
Very Light Traffic - Good for beginners. Low volumes of traffic. Low speeds. Few buses or goods vehicles.
Minor or residential roads
Off road cycle route
Proposed cycle route, for completion in next 5 years

Safe Riding – Do's and Don'ts

DO

- Consider wearing a helmet
- Wear bright or fluorescent clothing during the day
- Wear reflective clothing and use lights at night and in poor visibility
- Fit a bell
- Ride in single file on narrow or busy roads

DON'T

- Ride under the influence of drink or drugs
- Carry anything that will affect your balance or may become tangled in your wheels or chain
- Ride close behind another vehicle
- Ride on the pavement unless signs show it is a shared cycle and pedestrian route

ON CYCLEWAYS

Cyclists

- Be considerate of other users, especially pedestrians
- When riding on a shared path, keep to your side
- Do not ride too fast near pedestrians

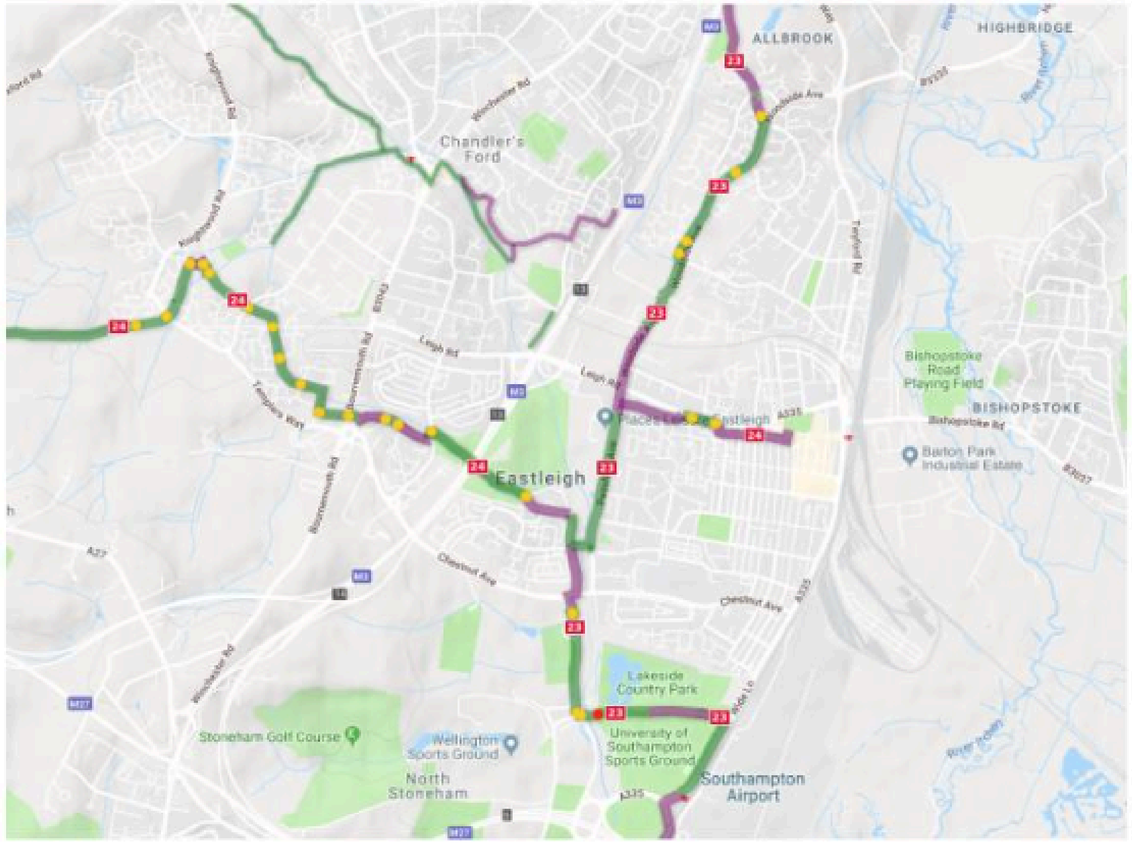

Pedestrians

- When walking on a shared path, keep to your side
- Be aware that cyclists may approach quietly
- Please keep young children and dogs under control for their own safety
- Keep to the footway where this is separate from the cycleway system
